EXPERIENCE

SIGMA TRADE WINGS | FRONT-END DEVELOPER | REMOTE

Feb 2023 – May 2023

Worked as a frontend developer at sigma trade wings. It was a very light-hearted atmosphere that encouraged me to go to work every day.

HACKTOBERFEST | OPEN SOURCE CONTRIBUTOR |

Oct 2022 – Present

Working as a open source contributor with Hacktoberfest. It is very insightful to work with this company. I got to learn new things everyday.

YOUTUBE | CONTENT CREATOR|

July 2021 – Present

I spent more than 1 year working as a content- Creator in YouTube. I'm a Hindustani classical singer I post my singing video and I have more than 250+ follower.

GOOGLE DEVELOPERS GROUP | STUDENT VOLUNTER|

Jan 2021 – Present | Lucknow, U.P.

Working as a Student Volunteer with GDG I got a new exposure and gain a lot of new experiences. I enjoy working in a team environment, and I get along well with people.

LYRICLIIOUS | STUDENT AMBASSADOR |

Jan 2022 – Feb 2022

Worked as an Student ambassador with LYRICLIIOUS. Its a great work environment, where people are productive and genuinely enjoy being there
